

# MALWA CENTRAL COLLEGE OF EDUCATION FOR WOMEN

CIVIL LUDHIANA

SESSION 2025-26

## COMPOSITION OF ECONOMICS SOCIETY

### INTRODUCTION:

To nurture the overall personality of the students and to provide them exposure to administrative activities, Malwa Central College of Education for Women has established number of subject-related societies and clubs, The Economics Society is one of them.

### VISION OF ECONOMICS SOCIETY

The Economics Society envisions life-oriented education through skill enhancement and enrichment of moral and professional ethical values of its members with the aim that they can contribute toward social, moral, economic and cultural development of the society as well as nation at large.

### OBJECTIVES OF THE SOCIETY

The Society has the following objectives:

1. To develop Leadership skills among members of the society.
2. To provide administrative experience to the members of the society.
3. To develop among them organizing ability.
4. To develop among them the competence of running the subject society
5. To provide them with practical experience in handling the task.
6. To provide them platform other than the classroom for expression, participation and deliberations on economic issues.
7. To aware them of various days, events and activities related to their subject.
8. To ignite Innovative Ideas and Creative Thinking
9. To develop Interest in the Subject of Economics among Members of the Society.
10. To Develop Awareness among Members of the Society related to various Socio-Economic issues of Indian Society as well as Economy of the Country.
11. To Develop Literary Taste and talent among the members of the Society
12. To Work for College Magazine Section.

## COMPOSITION OF ECONOMICS SOCIETY

### Composition of the Economics Society

The Economics Society operates on democratic principles to ensure active participation and fair representation. The governing body comprises six members:

- Two members are nominated by virtue of their official positions.
- The roles of President and Secretary are filled by promoting the Vice-President and Joint Secretary, respectively, based on seniority and one year of experience.
- The Vice-President and Joint Secretary are elected each year through a democratic process involving secret ballot voting.
- All decisions within the Society are made by majority vote, upholding the principle of collective decision-making.

The Governing body of the society has following structure:

Sr. No.	Designation	Procedure of Selection	Term
1.	Patron	Principal (Ex-Officio)	Permanent
2.	Incharge	Subject Teacher (Ex-Officio)	Permanent
3.	President	Student (Promoted)	Annual
4.	Vice-President	Student(Elected)from Sem-I	Annual
5.	Secretary	Student(Promoted)	Annual
6.	Join Secretary	Student (Elected) from Sem-I	Annual

This structure highlights the democratic process, clear pathways of promotion, and decision-making principles, aligning with typical models for academic society governance found in educational institutions
