Education for Women, Ludhiana

Vision

- To develop adequate communication skills of students and to prepare them for their professional needs in the globalized scenario prevalent today.

Mission

- The society has taken upon itself the mission of working zestfully and resourcefully to develop the four skills i.e. listening, speaking, reading and writing of the students.

Objectives

- To make pupil teachers acquire the required communicative competency in English
- To develop cognitive skills and soft skills so as to secure a job of choice and survive in a competitive globalized environment
- To provide an effective platform to pupil teachers for the acquisition of the language skills
- To develop fluency in spoken language
- To cultivate critical reading and reflection
- To develop skill of excellent writing in a variety of forms
- To encourage pupil teachers develop confidence, self-motivation and to think independently
- To provide an academically exhilarating environment which allow our students to enjoy social learning
